## Child Care Links Conference Room

Join **Denice Lara, First 5 Alameda County**, for an informative three part training series on the Desired Results Developmental Profile –DRDP.

- Introduction to DRDP (2015)
- The purpose of observation
- Strategies for putting a portfolio together
- Using DRDP results to plan for individual children and groups of children

If available, please bring:

- A copy of the California Preschool Learning Foundations and California Preschool Curriculum Framework
- Lesson Plans
- One child's rating record

In an effort to maximize training time, please arrive 15 minutes early for check-in. If you need to cancel for any reason, please call 925.417.8733.
