Goals of the Seminar Series

This seminar series will include content from the California's Infant/Toddler Learning Foundations, the Program Guidelines and the Curriculum Framework.

Designed to support continuous improvement efforts of infant/ toddler programs, the seminar series will help participants to:

- » Deepen their understanding of the Infant/Toddler Learning and Development Foundations
- » Increase their knowledge and understanding of how children learn and best ways to facilitate their learning
- » Understand and plan effective infant/toddler curriculum
- » Recognize and support the central role of families in young children's learning and development
- » Learn about the importance of culture and families
- » Create high-quality learning environments which effectively support early learning

Who Should Attend

Open to the Alameda County ECE community including Infant/Toddler program administrators, teachers and family child care providers. (Note: Participants are encouraged to attend all sessions in the series.)

Brought to you in partnership with the California Department of Education, Early Education and Support Division; WestEd, Center for Child and Family Studies, PITC Partners for Quality; and First 5 Alameda
