## Child Care Links Conference Room 6:30pm - 8:30pm

**Tuesday, 5 September**

### Building Social Emotional Skills

Building children's social emotional skills from an early age is essential. Join Susan Mancino, M.A., LMFT, Tri-Valley & Eden YMCA, for an informative workshop on how to incorporate social skill activities into daily routines, and increase children's sense of connection and well-being.

Register Online: [www.bit.ly/CCL-buildingskills](http://www.bit.ly/CCL-buildingskills)

**Tuesday, 12 September**

### The Spirited Child

Join Janel Astor, Behavior and Development Specialist, for a conversation about the quickly growing population of "spirited" children. Participants will work to define what it means to be strong-willed, how to set expectations and boundaries, and how to support themselves in these situations.

Register Online: [www.bit.ly/CCL-spiritedchild](http://www.bit.ly/CCL-spiritedchild)

**Tuesday, 19 September**

### How to Talk so Kids Will Listen

How we talk to children matters! Join Janel Astor, Behavior and Development Specialist, to learn how children develop language skills that support social expectations and their ability to follow directions/instruction, play with peers and enjoy social interaction.

Understanding language development allows participants to adjust their expectations and utilize age appropriate developmental expectations for smooth interactions.

Register Online: [www.bit.ly/CCL-talksokidslisten](http://www.bit.ly/CCL-talksokidslisten)

**Child Care Providers** interested in attending trainings must provide a **Workforce Registry ID Number** to register.

Visit [www.caregistry.org](http://www.caregistry.org) to create an account.
