Each year, Child Care Links helps families secure affordable quality child care for their children, and provides free child care referrals, Early Education trainings and workshops, Car Seat Safety Checks, Diapers, and Health and Safety Programs to Alameda County families and Child Care Providers.

This year Child Care Links is collecting toys for our most vulnerable families and we need your help to ensure that their children, ages 2—7 years old, receive a gift this holiday season. Toys will be distributed at all 5 of our Alameda County locations.

How to Donate:

Purchase toys listed at www.Roonga.com/childcarelinks
