Join **Child Care Links** and **First 5 Alameda County, Help Me Grow**, for an opportunity for Parents and Child Care Providers to learn together to ensure children, ages birth to 5 years old, reach their optimal development.

Help Me Grow will discuss typical development in young children and provide a basic introduction to the benefits of the ASQ Screening Tool, the most accurate, user-friendly way to screen children for developmental delays.

Attendees will have an opportunity to complete an ASQ and enroll with **Help Me Grow** to receive ongoing information and support.

Dinner will be provided
