Child Care Links Conference Room

The Child Care Advocate Program was created to provide a link between Community Care Licensing and the greater community.

Join **Natalie Dunaway, Northern California Child Care Advocate**, to learn more about the services provided to parents, Child Care Providers, and the greater community.

- Community Care Licensing updates
- Review licensee rights, and the complaint and appeal process
- Q&A session for your burning questions about inspections and citations

CCIP ECE Competencies Topic: Professionalism
