Child Care Links Newsletter

Wednesday, 12 July

6:30pm - 8:00pm

Child Care Links Conference Room

Join **Child Care Links** and **Dr. Dawnell Moody, D.O., Parent, Pediatrician, and Chief Medical Officer** from **Axis Community Health** to learn ways to keep children and their caregivers healthy all year long.

Discover what illnesses are more prominent during certain times of the year, and contributing factors that can lead to prevention. Topics will include:

- Types of infectious agents
- Modes of transportation
- Elements of prevention
- Steps to minimize exposure

Training will begin promptly at 6:30pm. Please arrive early to allow for check-in.
