Thinking about getting a family child care license?

Have you just received your family child care license?

Want to brush up on the basics?

Child Care Links offers FREE New Provider Training every other month, rotating locations between Pleasanton, Livermore and Dublin. The New Provider Training is a three part series on how to establish and run a quality family child care program. Each session is 2.5 hours long and participants that complete the series receive a certificate from city they reside in and a FREE membership to the Child Care Links Toy and Resource Library. These trainings are sponsored by the City of Livermore, Pleasanton and Dublin.

The first step toward obtaining your license is attending a Community Care Licensing Orientation Meeting.

First Tuesday of Each Month

9:30 - 12 Noon

Child Care Links Conference Room

1020 Serpentine Lane, Ste. 104

Pleasanton
